The reason being that without the data required the BDO would not be in a position to provide the services that the BDO offer in membership and therefore the membership application could not be processed or implemented to your best advantage

On occasion we may collect personal data from non-members [(e.g. such as any non-member participant who fill in a form of registration and pays relevant entry fee for entry into a BDO event classed as a 'BDO Open Event' or 'BDO Invitational Ranked Tournament'] and is allocated BDO Invitational Ranking Points by virtue of his/her position in such Event or Tournament

Our lawful basis for processing data is consent. Therefore, we will also need explicit consent from non-members to process this data, which we will ask for at the point of collecting it i.e. on the relevant BDO Open event entry form or on the relevant BDO Ranked Tournament entry form]
