

Winmau BDO Wolverhampton Open & Classic

TWO New Men's Category B BDO Ranking Tournaments for Wolverhampton

Wolverhampton Indoor Community Sports Centre is to play host to two British Darts Organisation (BDO) ranking events in 2017, with a prize fund of ten thousand pounds.

This event has been successfully run by the BDO for the previous four years in conjunction with WICS (Wolverhampton Indoor Community Sports) After a series of successful events the BDO have added two events into the BDO invitational tables for the 2016-17 season. On Saturday 15th July the Winmau BDO Wolverhampton Classic will be played. The followed day it will be the Winmau BDO Wolverhampton Open. Both events are Men's category B tournaments. Once again the main sponsors of both events will be the Winmau Dartboard Company LTD.

We are also very pleased to announce that the BDDA will be holding a British Disability Darts Association tournament on the same weekend. More details about the events will be announced shortly

WICS Manager, Dharam Jagpal, commented: "This will be our most prestigious darts event to date and we're hoping to bring forward our plans for the new Winmau Darts Centre, currently being designed as part of a major update of the whole WICS complex".

Ian Flack, Winmau's Sales and Marketing Director, added: "The award of BDO ranking points for the Winmau BDO Wolverhampton Open & Winmau BDO Wolverhampton Classic is just reward for the amazing opportunities that Dharam and the BDO team have provided for players, not just in the local area, but nationwide. Last year was the 4th Winmau BDO Wolverhampton Open, and this event has grown in stature and with it now being included into the BDO portfolio of events along with the Winmau BDO Wolverhampton Classic is great news for the Men's game.
