10th May 2017

After all the postings on social media regarding the World Cup and teams from England, Scotland and Wales not attending the event in Japan this year, the BDO has decided that it will make a statement regarding this matter.

The BDO board offered each country a contribution of £6,000 for 9 flights for 4 Men, 4 Ladies and 1 Team Manager on 3rd March 2017 when the details of the packages were released by the WDF. The BDO makes the offer for flights to the Europe Cup or World Cup every year, for whatever event is taking place.

The BDO also pays ALL the costs for hotels and flights for the Youth Teams to take part in the Europe Youth Cup every year. The Youth money is raised at our events throughout the year by holding raffles, this year for them to go to Sweden has cost the BDO £12,482.57 of which England received £4,460.92, Scotland £4,279.41 and Wales £3,742.24.

It is not our usual policy to advertise what we do but we believe that people should be aware of the true facts and not just part of the story.

Kindest Regards
